Energise your Network and Establish New Friendships

IDEM Singapore offers the perfect setting for business networking and socializing with your industry colleagues. Expand your network and knowledge-sharing opportunities with business professionals and academic opinion leaders at our various networking events.

Asia's Number One Meeting Place

Singapore now ranks as the world's preferred business-event destination.

"Top International Meeting City"

Union of International Associations (UIA) 2008 Global Rankings

"Best Overall City for MICE Experience and Facilities"

CEI Asia Pacific 2007 Annual Industry Survey Readers' Choice Awards

Local in its perspective, but global in its outlook, Singapore is truly a bridge between the East and the West, with its age-old traditions and cutting-edge innovations. In this dynamic city of rich contrast and colour, you'll find a harmonious blend of culture, cuisine, arts and architecture.

THE BUSINESS OF DENTISTRY

The Pivotal Dental Event in Asia Pacific Welcomes You.

Register online: www.idem-singapore.com

The leading dental trade exhibition and scientific conference in the region invites you on a journey of discovery through the latest products and technology. Whether you are in the dental-supply industry or clinical practice, enhance your dental business with your participation at IDEM Singapore in 2010.

Scientific Conference – Your Choice for Continual Education

Encountering the Cutting Edge of Implantology and Aesthetic Dentistry

IDEM Singapore's 2010 Scientific Conference provides the expertise and insight you need to expand your skill set, optimize patient care, and enhance practice revenue.

Earn up to 30 academic accreditation points for accrual in your country's continual education programme.

Display of the Finest from the World Over

Meet more than 350 international exhibitors from over 30 countries at IDEM Singapore 2010. This is your chance to personally interact with the top names of the dental industry and have your queries answered first-hand by manufacturers from around the world.

Visit the national pavilions from France, Germany, Switzerland, USA, and several other nations, and explore each country's specialization and newest products.

Source from the most competitive platform and make the best deals. IDEM Singapore's trade exhibition brings the latest offerings in the marketplace to your doorstep with the best commercial packages.

Comprehensive Product Groups for Easy Online Business Matching

Have a particular product genre in mind? Visitors with specific product interests will find it easier than ever before to locate and correspond with exhibitors even before IDEM. Visit our new online business-matching site for easy sourcing and immediate contact with your preferred exhibitors.

Scientific Pre-Congress day on April 15, 2010

New this year: the pre-IDEM Scientific Conference focuses on Soft and Hard Tissue Management in Advanced Implantology.

Let's Talk Business

Gain essential information on the business of dentistry in our exclusive Business Talks. Leading industry experts will review current trends and issues in the industry, laws and regulations and practice management. More information is available at www.idem-singapore.com
